

Animal Identification (Tagging) Site List as of September 14, 2020

This Animal Identification (Tagging) Site List includes all tagging sites in Canada that have self-identified and self-declared that they are in fact a tagging site and that they meet and will comply with the requirements under section 183 of the Regulations by reviewing, completing and returning the Animal Identification (Tagging) Site Declaration form to Canadian Cattle Identification Agency (CCIA). The Animal Identification (Tagging) Site Declaration form provides written authorization indicating the site meets Canadian Food Inspection Agency (CFIA) regulatory requirements. This list will be updated and posted on a regular basis.

This list is published for use in accordance with section 183 of the Health of Animals Regulations (C.R.C., c. 296). Such information is provided by the Tagging Site and CCIA publishes it "as is." CCIA makes no representation or warranty relating to this information and CCIA accepts no liability for any error or omission in the information. CCIA may make changes to this information at any time without prior notice, and CCIA is not obligated to provide any updates of any changes in information to anyone who may have accessed the list prior to the changes being made. Provision of this information to any person does not constitute or imply an endorsement by CCIA of any of the products or services provided by any person or business set out on this list.
